The Ian Casey Foundation is happy to announce registration is open for our 6th Annual Ian Casey Golf Classic and Dinner [here](#).

Our charitable giving for 2023 surpassed \$30,000 to local youth and we are grateful for our supporters heading into our 6th year! Photos from 2023 5th Annual ICF Classic event can be found [here](#)!

The Tahoe Donner Golf Course was a hit for last year's golf and dinner events and we're excited to partner with them again on August 3rd, 2024. We will have live music, a massive raffle and silent auction, trophies and live donations presented to local youth in need related organizations.

We again want to extend a huge shout out to Onyx Digital Media [Onyx Digital Media](#) for graciously donating a fresh new website for our foundation!
